

WOODHOUSE GROVE SCHOOL RUGBY CLUB

1 February 2010

Dear sir/madam

Woodhouse Grove 28th Annual Under 13's Invitation Sevens Tournament

I am writing to let you know that Woodhouse Grove School is proudly hosting the above event which takes place on Saturday 6 March 2010.

To make the event possible a quality two colour programme will be produced. We will again be creating as much exposure and circulation as possible for the event, the programme and its generous supporters.

As you so kindly contributed last year we hope you will again be able to support us by placing an advertisement for your company. The support you give us will not only make staging the tournament possible, but will enable us to contribute towards the rugby facilities at the school.

The tournament will be in a similar format to previous years and will involve many of the areas leading rugby playing schools. This means that once again more than 180 boys will participate in an event that is generally recognised as the North of England's premier tournament for this age group.

The high class day of rugby is supported by first class referees and full touchline, first aid and medical facilities. Hot food, snacks and refreshments are available for participants throughout the day.

If you are able to assist please return the enclosed form to me by Friday 12 February including an advertisement, to allow sufficient time to print and distribute the programmes.

Your support continues to be greatly appreciated by all concerned in making this event a success.

Yours with thanks

Patrick Smith

WOODHOUSE GROVE SCHOOL RUGBY CLUB

Advertisement order/Charitable donation form
